Leveraging over 15 years of accounting, banking and client service experience, Pam is responsible for managing full-service banking relationships on behalf of affluent clients and leading personal financial management services.

Pam oversees a banking portfolio of highly complex accounts. She directs department execution of client cash flow analysis, client bill pay and client banking services. Pam takes great pride in knowing clients entrust her with the day-to-day management of their banking duties, which allows them to add valuable time back into their lives.

Pam and her husband, Brent, live in Mounds View, Minnesota, where they enjoy traveling, sports, gardening, going on walks with their dog, Jenna, and spending time with family.
